

Club Femme Nu  
(Exotic Adult Entertainment)

What do these two places  
have in common?

O'Toole's  
"Smoker Friendly"

*Let's face it. Exotic dance clubs are not for everyone.*  
Neither are smoker friendly bars and pubs. Both, however do have a clientele to service, whether you personally agree or approve. As far as employment goes...

Some would find it offensive to work in an exotic entertainment nightclub, just as some employee's might find it offensive to work in a smoker friendly club. Yet both should have the right to exist on their own merit. Not every bar should be a strip club, and not every bar will be smoker friendly. Customers choose, employee's choose. You know it's the truth!

**Stripping License = Smoking License**

Not only is it fair, it's the right thing to do!
